“Military Psychology: Challenges for the future”

Lisbon, Portugal-Jun, 20<sup>th</sup>-23<sup>rd</sup>, 2016

**Dear friends and colleagues,**

We are pleased to report that IAMPS 2016 will take place in Porto, Portugal. We welcome military psychology researchers and practitioners to contribute and presented their research at IAMPS 2016 for mutual benefits and the pleasure of cooperation.

With this year's IAMPS topic:

**“Military Psychology: Challenges for the future”**

IAMPS 2016 we will be focused on the challenges that military psychology is confronted in this days. In order to that, papers and posters will mainly concern to the following topics: Team effectiveness, Military families, Stress in a professional context and combat, Military Higher Education, Women in the military and General topics.

We wish a pleasant symposium to all the participants and will be glad to see you in Porto on the next Jun.
